

# CliniLever® CP-BS Lead Safe™ Hospital Single Lever Basin Mixer with Accessible Handle H&C

Product Code: 103.00.73.00

Our Galvin CliniLever® Lead Safe™ Single Lever Basin Mixer is perfectly suited for use in hospitals, public disabled washrooms and areas of high use. It is supplied standard with a 165mm long lever handle finished in a bright chrome plate.

## Features

- Extended 165mm accessible lever for easy access
- 40mm cartridge assembly
- Commercial grade quality and fully backed by our industrial warranty
- Anti-scald adjustable stop ring
- Optional warm/cold indicator decal
- AS 1428.1 accessible compliant
- Complies with NSW Education EFSG Guidelines
- Manufactured using Lead Safe™ DZR Brass with less than 0.25% lead content
- Dual WELS Rating (6 and 5 Star Rating)

**Note:** This product is registered via WELS with two performance ratings to ensure its suitability across a diverse array of applications. Installed in the product is the 6 Star Rating flow regulator for optimal performance. For added flexibility, the additional flow regulator is also provided within the carton. You can easily switch between regulators as needed, all while preserving the product's WELS certification. Refer to the installation instructions for a

comprehensive guide on changing the flow regulator.

## Environmental Sustainability

We are ISO 14001 certified and take sustainability seriously. Our products are environmentally responsible designed to be healthier for users, save water and/or energy, and minimise carbon footprint. Our target is to reduce our carbon footprint by 25%, and the use of non-recyclable/non-compostable materials across the company (e.g. plastics) by 50%.

## Warranty

Galvin Engineering products are covered under our Manufacturer's Warranty. Galvin Engineering products must be installed in accordance with the installation instructions and in accordance with AS 3500 and NCC Volume Three, relevant Australian Standards and local authorities applicable to product being installed. Water and electrical supply conditions must also comply to the applicable national and/or state standards, failing to comply with these provisions may void the product warranty and affect performance of the product.

Please visit [www.galvinengineering.com.au](http://www.galvinengineering.com.au) to view the full warranty, our Installation Compliance and Maintenance & Cleaning information as well as any other additional information.

While all reasonable care has been taken in compiling the information in this document, the designs, dimensions and products shown are indicative only and should not be relied upon without our prior approval. Due to our policy of continuous development, we reserve the right to alter any details of specifications or products without notice.
