

Vandal Resistant CP-BS J/V Hose Tap Hot

Product Code: 49973

Our extensive range of Australian Made AS/NZS 3718 approved Vandal Resistant Tapware is manufactured to comply to all relevant standards. The range is designed primarily for use in busy public areas where a long lasting tap is essential.

Features

- Vandal resistant handle featuring a locking ring to secure the handle to the spindle
- Standard with jumper valve
- Half turn ceramic disc available on request
- Chrome plate finish for easy cleaning and added durability

Environmental Sustainability

We are ISO 14001 certified and take sustainability seriously. Our products are environmentally responsible designed to be healthier for users, save water and/or energy, and minimise carbon footprint. Our target is to reduce our carbon footprint by 25%, and the use of non-recyclable/non-compostable materials across the company (e.g. plastics) by 50%.

Warranty

Galvin Engineering products are covered under our Manufacturer's Warranty. Galvin Engineering products must be installed in accordance with the installation instructions and in accordance with AS 3500 and NCC Volume Three, relevant Australian Standards and local authorities applicable to product being installed. Water and electrical supply conditions must also comply to the applicable national and/or state standards, failing to comply with these provisions may void the product warranty and affect performance of the product.
