ADDITIONAL INFORMATION

Easy Home or Workplace Installation

The TS Series is an economical filter system that easily fits under your existing kitchen bench. All plumbing fittings are included for easy installation.

Dual Stage Filtration

TS Series system incorporates the most advanced Dual Action Filtration Technology. With 2 levels of filtration, the TS Series filters your water of sediment, rust and dirt. Taste, odour, chlorine and other chemicals are absorbed by the carbon block technology leaving healthy, great-tasting water as possible.

Longer Filter Life

The TS Series incorporates Puretec's long life filter technology, so you can go longer between filter replacements, and comes with our 3 Year Platinum Protection Warranty.

TS SERIES FILTRATION TECHNOLOGY

Stage 1

- Removes sediment, rust, sand, silt & algae.
- Clarifies the water

Stage 2

- Eliminates bad taste and odours
- Chemical pesticides & Sulphur reduction
